 Date: 07.10.2025

# ACHIEVEMENTS

## Student Awards & Recognitions – October 2025

Students (Ritikasri.S.S and Srija.U) participated in Encryptix Defend (Cyborg'25) – an Idea Pitching competition conducted at Dr. Mahalingam College of Engineering and Technology on 23.10.2025, and secured a cash prize for their innovative presentation.

 **Date: 23.10.2025**

 **Date: 11.10.2025**  
**Venue : C303**

# DEPARTMENT MEETING

*Monthly Planning & Academic Review*

*Fig: Faculty discussion during the department meeting.*

The Department of Artificial Intelligence and Machine Learning conducted a department meeting to review academic progress, plan upcoming activities, and discuss student performance. The meeting focused on event planning, internal assessments, project monitoring, and departmental development initiatives for the month.

 **Date: 11.10.2025**  
**Venue : C301**

# SENIOR–JUNIOR INTERACTION

*Building Mentorship & Peer Learning*

The department organized a Senior–Junior Interaction session to promote mentorship, academic support, and career guidance. Seniors shared their experiences on project selection, skill development, internships, and placement preparation. The session encouraged open discussion and strengthened peer bonding within the department.

 **Date: 15.10.2025**  
**Venue : C301**

# INDUSTRIAL VISIT

*Industry Exposure & Practical Learning*

 **Company : Robo Miracle**

 **Date : 27.10.2025**

# IQAC Q1 REVIEW MEETING

*Internal Quality Assurance Cell – Quarterly Review*

**Date: 28.10.2025**  
**Venue : C301**

Faculty members discussing quarterly academic and quality review updates during the IQAC Q1 meeting.

## R&I REVIEW MEETING

**Date: 29.10.2025**  
**Venue : C301**

Discussion on publication plans, project progress, and research roadmap for the upcoming quarter.

A decorative graphic consisting of several thick, dark red horizontal and vertical lines of varying lengths, arranged in a stepped, corner-like pattern in the top-left corner of the page.
